To NASAA,

My name is Gino Beccherini and I've been involved in franchising for the last 28 years.

I appreciate the efforts to increase transparency and support the sentiment behind the proposed Act.

We respectfully request that NASAA extend the comment period and engage more thoroughly with all relevant stakeholders to develop a balanced and effective regulatory framework.

This approach will ensure that the final document works for all parties and encourages, rather than discourages, people from considering franchise opportunities.

Thank you for your attention to this matter. We look forward to working collaboratively with NASAA to achieve our shared goals of responsible franchising.

Best Regards

**Gino Beccherini**
