Re: Public Comments on Proposed NASAA Model Franchise Broker Registration Act (the "Act")

To NASAA,

My name is Tamika Franklyn, founder of Precision Franchise, and I have been a Franchise Broker with FBA for approximately 4 years. I aim to educate the underrepresented on the opportunities in the franchise industry and am passionate about this mission and industry.

I appreciate the efforts to increase transparency and support the sentiment behind the proposed Act.

We respectfully request that NASAA extend the comment period and engage more thoroughly with all relevant stakeholders to develop a balanced and effective regulatory framework.

This approach will ensure that the final document works for all parties and encourages, rather than discourages, people from considering franchise opportunities.

Thank you for your attention to this matter. We look forward to working collaboratively with NASAA to achieve our shared goals of responsible franchising.

Respectfully,

Tamika Franklyn
