Re: Public Comments on Proposed NASAA Model Franchise Broker Registration Act
(the "Act")

To NASAA,

My name is Dan Guth, and I am an agent with Quantum Franchise Group, a member of the Franchise Broker Association and a recent graduate of the Franchise Training Institute training curriculum.

I appreciate the efforts to increase transparency and support the sentiment behind the proposed Act.

We respectfully request that NASAA extend the comment period and engage more thoroughly with all relevant stakeholders to develop a balanced and effective regulatory framework.

This approach will ensure that the final document works for all parties and encourages, rather than discourages, people from considering franchise opportunities.

Thank you for your attention to this matter. We look forward to working collaboratively with NASAA to achieve our shared goals of responsible franchising.

Cordially,

Dan Guth
