Re: Public Comments on Proposed NASAA Model Franchise Broker Registration Act (the
“Act”)

To NASAA,

My name is Dion Garnett, and I am a franchise broker and consultant.

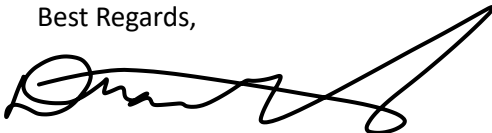

I appreciate your ongoing efforts to improve transparency and the principles behind the proposed Act.

We respectfully ask that NASAA extend the comment period and involve all relevant stakeholders more thoroughly. This will help create a balanced and effective regulatory framework.

This approach will ensure that the final document is fair for everyone involved and will promote, rather than hinder, interest in franchise opportunities.

Thank you for considering this request. We look forward to collaborating with NASAA to achieve our mutual objectives of promoting responsible franchising.

Best Regards,
