Subject: [EXTERNAL]Re: Public Comments on Proposed NASAA Model Franchise Broker Registration Act (the "Act")
Date: Thursday, June 13, 2024 12:52:30 PM

To NASAA,

I am Marc Camras and work as a Franchise Broker, Business Coach and Executive Coach to help folks who are or want to become business owners learn how to become effective as leaders of their business while finding the "right business" for them.

I appreciate the efforts to increase transparency and support the sentiment behind the proposed Act. I will respectfully request that NASAA extend the comment period and engage more thoroughly with all relevant stakeholders to develop a balanced and effective regulatory framework. This approach will ensure that the final document works for all parties and encourages, rather than discourages, people from considering franchise opportunities.

Thank you for your attention to this matter. We look forward to working collaboratively with NASAA to achieve our shared goals of responsible franchising.

Best Regards,
Marc Camras
President, MVision Consulting, LLC

With gratitude,
